BACKGROUND AND EXPERIENCE

PLEASE BRIEFLY PRESENT THE PARTNER ORGANIZATION.

The newly established organization ACE is a local organization based in Jerez de la Frontera, Andalucía with a mission to empower youth, promote their civic participation, and enhance social inclusion. The organization's main objectives include providing education, training, and skill-building programs for young people, fostering community engagement and social awareness, and creating a supportive environment for marginalized youth.

ACE's primary goal  is to improve the lives of young people in the community by equipping them with the necessary skills and knowledge to be active and engaged citizens. By promoting youth empowerment and participation, the organization aims to create a more inclusive and vibrant community where all young people have equal opportunities to succeed.

ACE will achieve its goals through a variety of programs and initiatives, such as Erasmus+ projects, European Solidarity Corps projects, mentorship programs, educational workshops, community outreach projects, advocacy campaigns, and many more. By collaborating with local schools, businesses, and government agencies, the organization will strive to create a sustainable and long-lasting impact on the community.

The vision  of ACE is to create a world where all young people have equal opportunities to thrive, participate, and contribute to their communities.

The mission of our NGO is to empower youth  by promoting their active participation in society, fostering sustainable growth and social inclusion. The problem that ACE is trying to address is the marginalization and exclusion of young people from civic and social activities, which limits their ability to reach their full potential and contribute positively to their communities.

We intend to solve this problem by providing education, training, and mentorship programs that build young people's skills and confidence, encouraging them to become active and engaged citizens. Through community outreach and advocacy campaigns, our NGO will also work to create a more inclusive and equitable society, where all young people have equal opportunities to succeed.

WHAT ARE THE ACTIVITIES AND EXPERIENCE OF THE ORGANIZATION IN THE AREAS RELEVANT FOR THIS APPLICATION?

ACE offers a variety of programs and services that support its mission of youth empowerment, promoting youth and civic participation, sustainable growth, and social inclusion. These programs include:

Mentorship and Leadership Development: Young people with the opportunity to be paired with a mentor who can guide and support them in their personal and professional development. These activities offer leadership training, coaching, and skill-building workshops that promote self confidence, critical thinking, and effective communication.

Educational and Vocational Training: Young people with access to quality education and vocational training programs that prepare them for future career opportunities. This includes a range of courses and workshops that focus on practical skills, such as computer literacy, financial management, and entrepreneurship.

Community Outreach and Engagement: By that, we aim to foster community engagement and social awareness among young people. We organize community events, campaigns, and initiatives that promote social cohesion, environmental sustainability, and cultural diversity.

Advocacy and Policy Reform: Through the ‘European Youth Together Programme’ and other European or local initiatives we aim to promote youth participation in decision-making processes and advocate for policies that support youth empowerment and social inclusion. We work with local and national governments to advocate for youth-friendly policies and promote civic engagement.
